She is not around but I really need her
We make love love love
Love trough the speakers
All you gotta do is close your eyes and turn it up
Turn it up
Make love trough the speakers
Make love trough the speakers
Make love trough the speakers

When a nigger ain't home
I am ready to see her
She turns her radio on
And I am ready
Make love trough the speakers

She got a crazy ass body
With a... what you do me so...
She try to feed my appetite
... take a break she owned again
Going on for hours
Damn girl you got me...

When a nigger ain't home
I am ready to see her
She turns her radio on
And I am ready
Make love trough the speakers

When a nigger ain't home

I am ready to see her
She turns her radio on
And I am ready
Make love trough the speakers

She is not around
I really need
Make love trough the speakers
All you gotta do is close your eyes and turn it on
... you be that girl try to make my mind right
... anytime you need it from me... let me see that body

Let me take those clothes off

When a nigger ain't home
I am ready to see her
She turns her radio on
And I am ready
Make love trough the speakers

When a nigger ain't home
I am ready to see her
She turns her radio on
And I am ready
Make love trough the speakers

She is not around I really need
Make love through the speakers
All you gotta do is close your eyes
And turn it up turn it up
