Are you agree?  
The power blow up when the mind its up  
Like a ...  
Mixed all low, with a ...  
Maybe me and my ex getting back involve  
Dont wanna think about it, I already get a house  
Got my pretty mamma waiting for me at the  
penthouses  
Plus, I know you girls when your hear ..  
Then aint got nobody, so I hoping that you do  
I got a issues, that you probably walk and leave the  
house alone too  
When probably ...  
Please dont.... he want nights  
This the same bitches that probably ...  
Got a problem with you cause Im probably ...  
Got to watch ..you get key  
...  
A smile that you told a lie through the teeth  
But I guess lonely people got the best love advice  
And broke nigga aint got to check  
And rich nigga got to pay a price for love  
Only in a wrong world its right  
This the kind of girl Imma call tonight  
Before she get ... try to halley...,  
I think I fell in love with her, I got to tell her that  
Take away from other bitches ...  
See I dont wanna mess this.., baby trust I dont want too  
Baby I dont wanna mess this .., trust me  
Lady I want you  
Hey, hey, hey, hey  
We are here, need somebody  
Yeah we all need somebody  
Hey, we are, we are, we are
