Show me what you got, show me what you got, got
Gimme all you got, gimme all you got

Sorry I missed your call, I'm usually more attentive
You be working hard and your time is so expensive
I'ma pay any amount, put that money in any account
Just to spend one hour, one hour
Girl you got me hypnotized, feeling up on your hips
and thighs
Yeah you got the power, the power
To make me show to my clothes
How you do it only you know
Girl you got me to the point
Where I just, I can't stop
Now I'm looking down at my watch
Cause it's sexy time,
Show me what you got, show me what you got, got
Gimme all you got, gimme all you got

So yes, girl I do watch you play
Like to hear you say, give it to me baby
Get right there, just stay
Make you go deep baby I'll have you screaming out
my name
I hope you ready babe, are you ready babe

Cause it's sexy time,
Show me what you got, show me what you got, got
It's sexy time,
Gimme all you got, gimme all you got

She so bad, that's mister meaner
That's your bad, you ain't seen her
This is so grap, look in her eyes
Everywhere she go, I go, I call it hypnotized
Small waist, hips and thighs
We work out together, I'm her exercise
Great friends tryina holler
She let me up, she ain't never lie
She lookin at the clock on the wall
Now she ready for bed time

Other bitch be doin molly
So right now be mad time
Baby girl turnt up, blame it on the red wine
She want me to beat it up
So IÂ'm tryina make headlines

Cause itÂ's sexy time,
Show me what you got, show me what you got, got
ItÂ's sexy time,
Gimme all you got, gimme all you got
