Ey ey hey (4x)  
Yeah yeah yeah yeah yeah (2x)

Ey ey hey (4x)  
Yeah yeah yeah yeah yeah (2x)

Tell me it can be only me  
If it can't then I'll need you  
You know what I did before  
But you know I ain't playing this time  
Hey hey

I get along but I want it forever  
Doing good but I know I could do better  
Oh no, I don't want no half way  
I wanna be happy ey ey

So if you gon' play around with my heart  
Then you can stay right there where you are  
Where you are  
Where you are  
Yeah yeah yeah yeah yeah

So if you gon' play around with my heart  
Then you can stay right there where you are  
Where you are  
Where you are  
Yeah yeah yeah yeah yeah

And by the time you less with selfishness  
Dishonesty, I just need you

Loving me, wanting me in every way

So maybe baby,  
You never know what you got till it leaves you  
And all the games and the lies I can see through  
So oh I don't want no half way  
I just wanna be happy oh

So if you gon' play around with my heart  
Then you can stay right there where you are

Where you are  
Where you are  
Yeah yeah yeah yeah yeah

So if you gon' play around with my heart  
Then you can stay right there where you are  
Where you are  
Where you are  
Yeah yeah yeah yeah yeah

So if you gon' play around with my heart  
Then you can stay right there where you are  
Where you are  
Where you are  
Yeah yeah yeah yeah yeah

So if you gon' play around with my heart  
Then you can stay right there where you are  
Where you are  
Where you are  
Yeah yeah yeah yeah yeah
