Iâ€™m Austin Bound, got my feelings checked at the door  
Austin bound, donâ€™t know if sheâ€™s gonna accept me  
See I got this feeling in my heart,  
That somewhere, someoneâ€™s calling me  
Gotta save the eruption in my soul

Iâ€™m Austin bound got my eyes set on the price,  
The time is now, gonna do MEEEE  
Please oh please, car donâ€™t die  
We got more hundred miles to cruise  
Iâ€™m Austin bound, got my eyes set on the price

chrs  
This city is filled with hopes and dreams  
Vision and a chance to life  
I donâ€™t know, I dont know  
If sheâ€™s gonna take good Care of me

Iâ€™m Austin bound, in debt but oh so High  
This city holds the keys to my dreams  
See mama, Iâ€™m in a better place right now  
The strength I have is because of you

Austin Bound, guitars, computer, some clothes, tv and a friend  
I know Iâ€™ve left so many  
But youâ€™re always in my heart  
When I come knocking on this door, remember this sound  
The strength I have is because of you

chrs  
I miss my friends, miss my life,  
Everything that makes me. me  
But I know, I know  
Sheâ€™s gonna take, Good Care of me

Donâ€™t worry about me, Iâ€™ll always be fine  
Keep praying for me and Iâ€™ll always do fine  
Cos I got this funny way, I get myself outta shit  
The strength I have is cos of you

Cos Iâ€™ll always be fineÂ…Â…

chrs

I miss my friends, miss my life,

Everything that makes me. me

But I know, I know

Sheâ€™s gonna take, Good Care of me
