Ma, I know its been a while, don't like to hear you
sound so weak,
It brings me down, it brings me down
Ma, I'm kinda missing you, must be the weather or
hey, might just be may
But Its times like this I know u need me there
Yes its times like this I know I need you here

Pa. I know its been a while my friend advised that I call
you, so here we are
I know I've been out of touch but you invented that,
yes you
Its so good to hear your voice, says my soul
The sacrifice you made, I'm just getting used to

Chrs:
So take me down by the water, lets cleanse souls
This could be a brand new chapter for this book
Mama works from 9 to 8, Papa was used to doing that
so now he feels small
I thought a marriage was a bond, maybe the preacher
got it wrong, didn't stress it enough
Maybe it got so tired, that it had to break
Maybe it got so strong, that it broke

Mama, don't worry, I'll be strong, strong enough for
all of us, will that be enough
Wanna go back to those days when it was picture
perfect, even if it was only in the picture

chrs
