MOVE ON ©

Took your photo off my refrigerator, burnt you with the
flame you brought

The storm is finally clear now, Iâ€™m seeing signs of a,
brand new life

Gave you up on a cold cold morning, my heart and all
Gave you up on a cold cold morning

Took me a while to figure you out, Iâ€™m glad i did, Iâ€™m
glad i did

Saw the sign but embraced it all, glad I did, glad I did

Chrs:

Waiting so long, to let you know, that i washed up

Waiting so long to let you know that Iâ€™m fine

Waiting this so long, to let you know, that i washed up

Iâ€™ve been moving along so, move on

I gained an Oak Tree & the moon, from the storm you
brought

Was a wasteless seed moving through this ocean.

In a twisted way you saved me, chains and all

In a twisted way you saved me

Took me a while to let u go, Iâ€™m glad i did, Iâ€™m glad i
did

Saw the sign but embraced it all, glad I did, glad I did

Chrs:
