Concentrate and push start
Watch your head, they're falling down
Splits of Broken Hearts[™]
Hide behind the wall
Wait till you get missed by shot
Of the Dart of Love[™]

Go to super-store
Buy the Hands of Justice[™]
Touch and crack the Saving Straw[™]
To see the open door
Leading to the Leash of Power[™]
To the upper floor

Bend behind, move it quick and stretch to side
Duck and jump and spread apart
Lift it up and make it hard
Work it out till you see stars

Now don't you try to slow down
Watch your step you could stumble on
Stones of Wisdom Gone[™]
Unzip your water gun
Sprinkle dried out Tree of Knowing[™]
Chop it, burn and run

Bend behind, move it quick and stretch to side
Duck and jump and spread apart
Lift it up and make it hard
Work it out till you see stars

Suck the Thumb of God[™]
Play the ball off the Wall of Lies[™]
And get a brand new life
Ride a Wheel of Luck[™]
Pray to centrifugal force
You make it the top five.

Bend behind, move it quick and stretch to side
Duck and jump and spread apart
Lift it up and make it hard
Then repeat all from the start

Relax and calm your heart
Face the floor and spread apart
Lift it up and make it hard
Work it out, you're a born star
