Show me what your name is!  
Let me spell it one more time  
Do that shit on.. bet I, bet I make you call  
My sex game is like Novocain, bet I leave you numb!  
Bet I make you come, bet I, bet I make you come

Oh, she said I'll keep her warm in the winter, winter  
And take away her lonely nights!  
Just hold on, baby, sit back and enjoy the ride!  
I don't need you to say a word at all  
I just want to hear you scream  
I'mma make you worth it all!

Pre-Chorus:

She know I'm going in, but she try to hold it in  
She knows she's about to go off, off, off  
She knows she's soaking wet, she's dripping in my bed  
She's about to go crazy, yeah, yeah!

Hook:

Had her screaming out the vowels like  
A A A E O U  
Had her screaming out the vowels like  
A A A E O U

Uh, uh, uh watch when I put this... on you!  
You gonna be like, baby

And you're going so deep!

But I'mma go deeper!  
I'll be killing that shit  
Girl, I gotta eat that, that, eat that!  
How are you're speaking in .. like a preacher? Amen!  
Girl, I hope you're ready, I'm about to go in  
If you can't take it all, then say win  
..I gonna say, Shawty try to hold it back, but she

Pre-Chorus:

She know I'm going in, but she try to hold it in  
She knows she's about to go off, off, off

She knows she's soaking wet, she's dripping in my bed  
She's about to go crazy, yeah, yeah!
