[verse 1]

layin in my tee-shirt
with nothin else under it
sleepin like a baby
i dont wanna wake you up but i wanna sex you up
layin in your hair now
kissin you from your neck down
must be doin something right, cause you never even
opened your eyes

[chorus]

you can thank me in the morning when you wake up
feelin hella good feelin like you want me
you dont realize this our second time
cause I
woke up in the middle of the evening feining for your
body
booty pressed against me while sleepin
sleepin
sleepin
so i back up a little bit just to see if you follow
and you press into me again like you playin possum girl
its the middle of the evenin
ima give it to you while you sleepin

[verse 2]

lookin at my baby sleepin like a baby body so amazing
drive me crazy i dont wanna wake you up but i wanna

aint no rushin when it comes to lovin
slow and easy does it

[chorus}

feelin hella good feelin like you want me
you dont realize this our second time
