They think Im crazy  
They dont wanna see me at all  
Champagne dripping on the floor  
Wipe it up, wipe it up, wipe it up

Me and my crew, we step up in the building  
Got these bitches choosing, now you niggas feeling us  
Me and my crew bout to go up baby  
Cause this is elevation and that Keisha got me feeling  
right  
I aint never trippin  
I got a glass and I hold it up while Im sipping  
Everybodys digging my song  
DJ play it for me all night long

They think Im crazy  
They dont wanna see me at all  
Champagne dripping on the floor  
Wipe it up, wipe it up, wipe it up

Married to the game like I wiped it up  
Shitting on these niggas, man, somebody come and  
wipe it up  
Wipe it up, if you got that kush go ahead and light it up  
Pass that bitch around until your eyelids start to tighten  
up  
Look at me, I made it, nigga  
Look at all this liquor, why you think Im faded, nigga?  
Niggas these groupies is in movies so Im x rated,  
nigga  
Molly at the club cause it pay to get her  
Five racks, niggas take shots like Iraq  
Niggas tryina sneak in my VIP, just so they could be  
where Im at  
My head swollen and my pocket swollen, Im amped up  
so lets rock and roll  
Aint with none of that bullshit but Im number one like Im  
Derrick Rose  
Your girl think Im sexy, she wanna be misses McCall  
I can tell that girl her freak is on so wipe it up

They think Im crazy  
They dont wanna see me at all  
Champagne dripping on the floor  
Wipe it up, wipe it up, wipe it up

Drank in my club, be your bitch, youre my bitch
