Turn the drums up
Turn my vocals up, too
I hear myself a lil more
Yeah

More, more, more, more
More, more, more
Moto, moto, moto, moto
Moto, moto, moto, moto, moto

Nice, nice, nice, nice, nice
Moto moto still
Moto moto still
Moto still

Yeah, yeah, yeah
Nice, nice, nice, nice
Nice, nice, nice
Good

You waited up a lil bit for me
Yeah, yeah, yeah
Bedstuy Parade and Funeral March
For fighters and lovers

How?
How?
How?

I can't stand you, I just love you
I got something to give you but
I don't want to

The one I wanna be close to but
I can't touch you 'cuz I can see you
But I can't see good 'cuz
You keep me crying

My gangsta woman
Sweet gangsta woman
Pretty gangsta woman
Little killa woman

Sweet gangsta woman
Pretty killa woman
Sweet gangsta woman
Gangsta

I see you

How?
How?
How?

Gangsta, gangsta, gangsta
Gangsta, gangsta, gangsta
