Quart of oil, gallon of gas
Baby I sure do hope it lasts.
Destination: Love
Destination: Love
If I get stuck, give me a shove.
Destination: Love

I can't wait to see her smile.
Only got about ten more miles.
Destination: Love
Destination: Love
If I get stuck, give me a shove.
Destination: Love

Well I passed a truck,
I passed a bus,
I must be doing fine.
I'm so close I can almost feel
Her sweet lips on mine.

If the front tire blows, I got a spare.
If that ones goes I'll still get there.
Destination: Love
Destination: Love
If I get stuck, give me a shove.
Destination: Love

Destination: Love

Well I crossed a bridge,
I climbed a hill,
It only steamed up twice.
If this old car goes one more mile,
I'll be in paradise.

She'll be waiting there I know.
Left turn, right turn, here I go.
Destination: Love
Destination: Love
If I get stuck, give me a shove.
Destination: Love
