[Malcolm X]

"You're living at a time of extremism, a time of revolution
a time where there's got to be a change. People in power have misused it
and now there has to be a change and a better world has to be built
and the only way is going to be built is with extreme methods
and I for one will join with anyone, don't care what color you are
as long as you want change this miserable condition that exists on this earth."

[Mos Def]

Ecstatic
Ecstatic ecstatic

Super magic black origin freshly out of dopeness
Definitely out of dopeness, sketch another opus
Knock off your set, Brooklyn we keep 'em open
The heavens expand the stars advance feel the boogieman

Mojo hand healing power like Bang
Snap, I rebuke these snitches
We know the truth, you can't confuse me bitches
Great name, greater than all your riches

We know the truth, you can't confuse me bitches
Strong magic that bust all your wishes
Cherokee Chief rock upon cha rock it don't stop
