Visit "[Inferno](#)" on MotoLyrics.com

Just feel the inferno
Just need it
Want it
Have it
Love it
Feel the inferno in you
Feel it
Need it
Want it
And breathe it

Sometimes I just need to discover myself
Feel out where I am in the fire
Lying deep inside of me
And as I hide between the covers
I feel the inferno riding up
It's feelin' me up
Fire everywhere
I'm burnin' up
Burnin' up inside
And do I feel that I'm gonna get a temperature

Just feel the inferno
just need the inferno
Just want the inferno
Just have the inferno
Just love the inferno
Just heal the inferno
Just make the inferno
Just feel the inferno

The beat slows down and
My heart skips a beat along with it and
I can't rest
I feel like I've hit a new low and I
Suddenly walk out on the dance floor
I feel a lil rush over me
Could it be the inferno taking over me
I'm worried that I might lose control before
It's too late
Hold up now
I think it's too late

Just feel the inferno
just need the inferno
Just want the inferno
Just have the inferno
Just love the inferno
Just heal the inferno
Just make the inferno
Just feel the inferno

It's out of control
Just feel the inferno
Let it take over you
Let it burn you up

Just feel the inferno
just need the inferno
Just want the inferno
Just have the inferno
Just love the inferno
Just heal the inferno
Just make the inferno
Just feel the inferno

It's out of control
Just feel the inferno
Let it take over you
Let it burn you up
Let it burn you funny
Let it burn you up
