Don't wake up
You aren't done dreaming

These are my confessions
As far as I know
Of living in denial far much too long
And now I'm exposed
Don't dwell on the past
Now sit back tight and enjoy the show

The first time I met him
I could hardly breathe
What I saw in his eyes
When he looked at me
A bad boy with a softness
That made me fall weak
Made me lose
My inhibition easily

Stop right now and think for a minute
I'm sorry
I can't hear you well
I'm dreaming while living
I'm really impressed with how fast he's going
A man with a creative spark knows what he's doing

These are my confessions
Of losing my mind
Ignoring my discretion
All the warning signs
A winning combination
Of right and so wrong
Don't wake up
Your midnight dreams will be gone

You're right
I should
Forget about him
He's no good
No
I guess I can't
I guess I won't

Cause Iâ'm in love

I spent a lifetime
Looking for this ecstasy
Something along the lines
Of a midnight dream
In the presence of
A man so overpowering
Can't wait to see
What he comes up with next for me

Stop right now and think for a minute
Iâ'm sorry
I can't hear you well
Iâ'm dreaming while living
Iâ'm really impressed with how fast he's going
A man with a creative spark knows what he's doing

These are my confessions
Of losing my mind
Ignoring my discretion
All the warning signs
A winning combination
Of right and so wrong
Don't wake up
Your midnight dreams will be gone

You're right
I should
Forget about him
He's no good
No
I guess I can't
I guess I won't
Cause Iâ'm in love

Don't know what's come over me
To literally meet the man of my dreams
Man of my dreams
It's like the man put a spell on me
Girl you're in love
Girl you're in love
He makes me act on my fantasies
Fantasies
Changed my life
Makes it worth living
Is it love or my destiny
Girl you're in love
Girl you're in love

These are my confessions

Of losing my mind
Ignoring my discretion
All the warning signs
A winning combination
Of right and so wrong
Don't wake up
Your midnight dreams will be gone

You're right
I should
Forget about him
He's no good
No
I guess I can't
I guess I won't
Cause I'm in love

Cause I'm in love
Cause I'm in love
I'm in love
I'm in love with my midnight dream
