You could say I'm like Vanilla Sky  
The saddest girl to ever hold a martini  
Every morning I wake up and cry inside  
While everyone else wishes they were me

When it's good  
It's really good  
My life is pure perfection  
Heaven on earth  
And when it's bad  
It's really bad  
My stomach turns  
And I fear for the worst

I'm addicted to your promises  
I'm addicted to your love  
I'm addicted to the way you hurt me and made me  
want you more  
I'm addicted to all of your lies  
So much I can't let go  
I'm addicted to the way you made me  
Believe tomorrow won't be the same

Each moment I see your face pains me  
Like a knife diggin' into my heart  
And then I realize you see  
You were wrong from the very start

When it's good  
It's really good  
My life is pure perfection  
Heaven on earth  
And when it's bad  
It's really bad  
My stomach turns  
And I fear for the worst

I'm addicted to your promises  
I'm addicted to your love  
I'm addicted to the way you hurt me and made me  
want you more

I'm addicted to all of your lies  
So much I can't let go  
I'm addicted to the way you made me  
Believe tomorrow won't be the same

I don't know what to do right now  
I hate myself some more each day  
Cause I can't let go  
Whenever I see you in front of me  
I can't think straight anymore

I'm addicted to your promises  
I'm addicted to your love  
I'm addicted to  
The way you hurt me

I can't help myself  
I've gotta go away  
But I see you there  
Hear you say my name  
You look beautiful  
And I melt away  
And I lose myself like this  
I can't help myself  
You're the man I love  
Forevermore til the day I die  
But I can't forget myself in here  
I can't lose myself like this

I'm addicted to your promises  
I'm addicted to your love  
I'm addicted to the way you hurt me and made me  
want you more  
I'm addicted to all of your lies  
So much I can't let go  
I'm addicted to the way you made me  
Believe tomorrow won't be the same

You could say I'm like Vanilla Sky  
The saddest girl to ever hold a martini  
The man who remains in my past  
Can't hurt me anymore  
I promise to love you forevermore  
Until the day you die  
But unfortunately for you right now  
You are dead in my eyes
