Standing naked in front of me
Won't you sex my soul?
Fortified, the joker wins
I've tried to make her proud

Freeze up broken character
Anxiety began to creep
Freeze up broken character
Catastrophe in me

If you don't believe in heaven
It won't believe in you

Faces of disaster scream
Sizzled like frying meat
Spiteful charm I also knew
But not on nationwide TV

Freeze up broken character
Anxiety began to creep
Freeze up broken character
Catastrophe in me

If you don't believe in heaven

It won't believe in you
If you don't believe in heaven
It won't believe in you

Hopeful heart inside of me
Ribbons cover me
Break down, my views broke down
Catastrophe in me

Freeze up broken character
Anxiety began to creep
Freeze up broken character
Catastrophe in me

If you don't believe in heaven
It won't believe in you
If you don't believe in heaven

It won't believe in you
