Paralyzed in sensitivity
I smoked a drink, humor is coming over me
I sprung a leak on society
Ignorance, it used to follow me
Treachery and hypocrisy
I figured out my crazy sexuality
I'm not the way I used to be
Cleanliness has thwacked me off my feet

Keep on
Keepin' on Just walk on through
And don't be scared

Pollinate another sour seed
Politics - it's criminal and greed
They're buttered up and full of grease
I know your kind, facades don't work with me
It's warm inside a crucifix
Narrow flow, shame on you you bitch
The earth's a mess and feeling cowardly

Disrespect, razzberry mockery

Keep on
Keepin' on
Just walk on through
And don't be scared

It's warm inside a crucifix
Narrow flow, shame on you you bitch
You're still the fool and your perception is bleached
My chance has come to purify the weak

Keep on
Keepin' on
Just walk on through
And don't be scared
