SHARKS! In the Congo by Know Your Knot!

Intro

Verse

I always wanted to go on a holiday
somewhere warm
Away from the icy shards and snow filled valleys where
I am from
I packed my bags, said my goodbyes and sailed in to
the sun Destination in mind, under my arm is my
bongos
Im off to the Congo
And then I get there and I'm startled with the strangest
sight
A million people at a soccer game (the crowd goes
wild)
I move in closer to get a hot dog and to check the score
I don't believe my eyes any more
I'll tell you what I saw
There is sharks in the Congo

Chorus

I'm having a ball and I wish my friends could see
Not a care in the world Just hanging with sharks all day
Nobody ever mentioned it and I don't think many
people know There more afraid of us then we're of
them
Sharks in the Congo

Yeah Boi!

Verse

Now I'm hanging in the sun Now I'm hanging with the
sharks Spending our time climbing trees
And finding ladies for us to get with
Nobody ever mentioned it I've never had so much fun
This is the best holiday of my life
This polar bear is loving the sun
And then a war broke out and no one was prepared
All the sharks I was kicking it with went running in to the
trees (running scared)

So much smoke it filled the air and everything went
dark
every ones scared
sound the alarm
what the hell is that
Fire breathing running shark

Congo fill
DON'T GET BURNED

Outro
I can't wait to get away
Let's go on a holiday
I can't wait to get away
I can't wait to get away from it all
