This is a love song by Know Your Knot!

This is a love song I wrote for you
Straight from the heart so you know its true.
For all of the good times we shared,
and half of the bad.
The moments that follow and the ones from our past.

Its been too long I cant wait
To see you smiling, so smile with me.
You were never forgotten. I saved you a seat.
Lets ride this out together. My only.

Beauty adoring, your touch shines within.
Your eyes they control me. I'm yours.
Hold on to my hand. Please never let me go.
Then you screwed me over ove ove o.

See first they draw you in with pretty eyes and smiles,
then fill your head with lines and lies. All she does is
deny it all.
You had the benefit of doubt, I act like it never
happened.
If only this was Mexico I'd bury you

We all know that when you met this girl she was no
angel.
Probably gave rub and tugs to half the guys still in her
phone.
Taking cum shots from the guys at work and pissed off
customers,
but with that smile you forget and think she will always
be yours.

Beauty adoring, your touch shines within.
Your eyes they control me. Im yours.
Hold on to my hand. Please never let me go.
Then you screwed me over ove ove o.

I never caught on in the beginning. I was so blind.
It doesn't help when your friends don't tell you its going
on.

All those days of sweet nothings whispered in your ear.
I should have cut them off cause you never listened to
me

You never listened to me
You never listened
I CANT BELIEVE I FELL FOR YOU

I can't believe that i fell for you.
The worst time of my life is all yours.
I cared and i catered to your every whim.
I wish you the best end of a knife. Fall deeper.
