Break me down, to the end, and push me past the  
border  
And who is there to blame, in the end it's all  
the same  
We will we return, it's a game, we know the  
rules and brake them  
Time and time again you pretend to be my friend, but  
you're just pretending  
But I keep holding on to, these dreams I  
can't let go,  
But I know in time I'll get what's  
mine,  
Ohh, Ohh, If my heart is open ya ya ya  
If my heart is open ya ya ya  
Shining like the stars, these scars spread across the  
night, it's  
For every one to see, but it's only you and  
me  
But we have not changed; we're the same,  
still fighting windmills  
And the wind is blowing hard and it's  
tearing us apart and it leaves us hanging  
But I keep holding on to, these dreams I  
can't let go,  
But I know in time I'll get what's  
mine,  
Ohh, Ohh, If my heart is open ya ya ya  
Hope my heart is open  
Hope my mind is free at last  
And I come to you with grace face to face  
And we seen enough to finally understand  
That a change will come will come from somewhere  
deep from within us  
And the lions will roar and it won't matter  
anymore,  
Because we're gona walk through the door  
when our hearts are open

But I keep holding on to, these dreams I  
can't let go,  
But I know in time I'll get what's  
mine,

Ohh, Ohh, If my heart is open ya ya

But I keep holding on to, these dreams I  
can't let go,

But I know in time I'll get what's  
mine,

Ohh, Ohh, If my heart is open ya ya ya

If my heart is open ya ya ya
