Born by hazard, driven by chaos,  
Killed by the undefined  
Random reality!  
There's no justice, only coincidence,  
Prayers remain unheard,  
The strong dictate the fate.

Blame someone for misfortune  
Accuse! – Punish! – Kill!  
All we need's a scapegoat  
Responsible for misery.

Refrain:  
Losing grip on reality  
In a world man cannot see.  
If everything is meaningless  
Let's seek to kill – seek to kill!  
Losing grip on reality.  
Are you the one to bleed?  
For the course of history  
Let's seek to kill – seek to kill!

Born by hazard, driven by chaos,  
Killed by the undefined  
A random reality!  
There's no system, no structure, no plan!  
But we need a guilty man we can indict and hate.

So who's the scapegoat?  
Just roll the dice of fate.  
The gods of chaos  
Will show us whom to slay.

Refrain: 1x

Our violence needs a valve!  
Kill!

Born by hazard, Driven by chaos,  
Killed by the undefined  
A random reality!  
No explanation for death and misery.

We can't accept this! Victims of insanity!

Losing grip on reality (So who's the scapegoat?)  
Are you the one to bleed? (Just roll the dice of fate)  
For the course of history (The gods of chaos)  
Show us whom to slay in this random reality!

Refrain: 1x
