(Yung Canon)  
Iâ'm in a room wit a thousand people  
Still only her soul can see me  
Press the buttons n you still can't change me  
While you're in your bed sleeping nakie  
Yung Canon fly out your TV  
Close your eyes n you'll still see me  
Open up baby you'll still see me  
I know that Dreamland's crazy

(Hollywood)

My head's in a whirlwind  
I just broke up wit my ex-  
girlfriend My fish got wings  
And my bird's got fins I took  
a lost twice Now it's time  
for some wins? I'm lying  
on the wings of the jet  
cuz my time on earth is so  
platitudinous It bores me  
to death, (uh!) I think I need  
a rest I don't need a rest  
there's a collision in my head,  
yes!

Chorus
