the first day we meet was like destiny
all the worlds love yes you gave it to me
never thought that you would be
one of the most beautiful things to me

chorus:

And i will keep trying to make you happy
Not dieing on my destiny
cause you are
beautiful to me

walking down the halls my fate begins to scream
im about to fall when then i see
the most most beautiful light coming to me
and the was you i see

chorus:

And i will keep trying to make you happy
Not dieing on my destiny
cause you are
beautiful to me

you are the most beautiful thing to me
