Here she comes maybe this time she'll smile at me
There she goes out with a girl how could it be

Sellout sellout uhh...
She brings me down now

So we go out to a rock show just for fun
Then she says that she is a lesbian

Sellout sellout uhh...
She's in my head now
And she said, she said
She'll be around tonight, I think she'll be around
Tonight
She'll be around tonight, she'll be around tonight
She'll be around tonight

She don't see me in her dreams alone at night
If you see her tell her girlfriend to treat her right

Sellout sellout uhh...
She brings me down now
And she said, she said
She'll be around tonight, I think she'll be around
Tonight
She'll be around tonight, she'll be around tonight
She'll be around tonight

Sellout sellout uhh...
She brings me down now
Sellout sellout uhh...
She's in my head now
And she said, she said
She'll be around tonight, I think she'll be around
Tonight

Woh, oh, ohh...
Woh, oh, ohh...
Woh, oh, ohh...

Ye, ye, Yeah...

Ye, ye, Yeah...

Ye, ye, Yeah...

Ye, ye, Yeah...
