SUPERSTAR

Lyrics by Jormen Carr-Lacy ; Stephanie Davis

1 verse

Smile for the cameras Stephe, this is it baby  
Forget about going to shopping at Old Navy  
The past been crazy, finally we made it  
And we hot, do this motherfuckers have the AC??  
Is like part of my persona  
Never been the type of hot pockets and coronas  
Lifes a hoe Im about to ride on her  
Like a porn star, swear that I ma wild on her  
Pre chorus  
It as been a long way I have to say  
Since I started on this  
Now I feel I have the chance  
To reach my dream, to win the game  
Sometimes I feel down but right now  
I gotta do it right  
Cuz I know its time to shine, this is my time  
to be a SUPERSTAR

Chorus

Im gonna do it right  
I ,I,,I gonna step up hard  
Im not going anywhere,  
cuz I know Im here to stay  
Yeaaaaaaah  
Wooooooowww  
Yeaaaaaaah  
Im gonna be a SUPERSTAR

2 verse

Niggas trynna press me, but I already passed  
standards  
Im 18 and Im Costa Rica finest rapper  
My flow is cancer; my swags enough to damp her  
I got the shit, Pampers  
Aint a shit yall could say or do to me  
Baby Im up next its really hard for you to see?  
I always dream about that Gucci, the Louis V

The girls with double Ds never leave me like Lumidee  
But my money tighter than a virgin  
To look clean and neat I need detergent  
Im so determined, and thats what matters the most  
Nigga tired of fucking riding a bus  
Im telling you son

Pre chorus

It as been a long way I have to say  
Since I started on this  
Now I feel I have the chance  
To reach my dream, to win the game  
Sometimes I feel down but right now  
I gotta do it right  
Cuz I know its time to shine, this is my time  
to be a SUPERSTAR

Chorus

Im gonna do it right  
I ,I, ,I, I gonna step up hard  
Im not going anywhere, cuz I know Im here to stay  
Yeeeeeeaaah  
Woooooowwww  
Yeaaaaaaaaah  
Im gonna be a SUPERSTAR

Bridge

Whoooow  
Doesnt matters what the hater says to me  
Whoooow  
I know have what it takes to reach my dream  
Whoooow  
The just hate me cuz my swag is right  
You will see tonite  
Im going touch the sky tonite

3 verse

Yessir Im the rookie of the year  
I ma hold this bitch firm like a brazier  
And please dont even talk plural when you refer to my  
carrer  
When a nigga need help yall wasnt there  
Fuck out here  
So I tried to do my own thing ever since  
Go hard on the game, I never suffered impotence  
Its funny how everybody hates it when you doing well  
Well I became stronger with every single time I fell  
Play with enthusiasm  
I ma keep going till this game has an orgasm  
Thats how you make it to the stardom  
Success doesnt comes out the random

Hook  
Who tries to keep me down  
Its going down tonight  
Cuz here we are, here we go  
Im not going to stop till I shine  
Yeaaaaaah  
Woooooooooww  
Yeaaaaaaaah  
Im going to be a SUPERSTAR
