Sunny skies  
Driving slow  
To kick the leaves from the road

Sunday  
I come home  
Keep my head down and out of here

Out of the sky  
Onto the broken bridge  
The broken soldier dies

Should have had another chance  
Should have had another chance to go home

Follow waters  
Nobody's fault  
I guess that one was for me

Tell my old man  
Not to cry  
It's just a part of the job

Out of the sky  
Onto the broken bridge  
The broken soldier dies

Should have had another chance  
Should have had another chance

Out of the sky  
Onto the broken bridge  
The broken soldier dies

Should have had another chance  
Should have had another chance

I'm screaming out loud  
The top of my voice  
Can you hear me?

I'm sat here in pieces

I wanna go home  
Can you hear me?  
Don't forget me
