Moon is rising for you
Colours are flying for you
Turn your back and paper over the cracks
Poured it all out under

Baby was crying for you
Much she'll be riding soon
Mice are away so the cat's gonna play
Stirred it all up with your silver spoon

There's no turning
Wheels keep moving
Your lies won't stop me from go-
Going home
Going home

And there's no way are they coming back
Made their way, then you covered their tracks
No way are they coming back
Made their way, then you covered their tracks

(Covered their tracks)
Oh, with a killer story
(Covered their tracks)
Yes, they're not
(Covered their tracks)
(Covered their tracks)

Baby was dying for you
But temptation's finding a view
Focusing in on an original sin
Sailing away on a ship of fools

No way are they coming back
Made their way, then you covered their tracks
No way are they coming back
(There's no turning)
Made their way, then you covered their tracks
(Wheels keep moving)

There's no turning
Wheels keep moving

Your lies won't stop me from go-
Going home

There's no turning
Damage has been done, and
Your story won't stop me from go-
Going home

There's no turning
Wheels keep moving
Your lies won't stop me from go-
Going home
