[VERSE 1]

2 o' clock and you're breaking down my door its over,
You're not the same, its a shame that I let you go, (uh oh) (Uh oh)
Gave you all that I had and it got me no where,
But it seems to me that its the only way to go, (uh oh)
(uh oh)

[BRIDGE]

You got a devil on you're shoulder,
Inviting me in,
But he wont win,

[CHORUS]

Cos I'm fearless,
I'm not afraid to be alone,
It's over why?
Because you did something wrong,

I'm heartless now,
Love me when I'm gone,
I've had enough,
And i just want you to go,
Go
Fearless.

[VERSE 2]:

Who are you?
Tryna make me feel like i was broken,
It was you tryna stop me but i broke the chains, (uh oh)
(uh oh)
Say don't worry boy, don't you know that I'm a soldier,
Cos I'm not like you,
I'm gonna fight you till the end

[BRIDGE]:

I got an angel in my corner,

And you can never touch her,
You won't win,

[CHORUS:]

Cos I'm fearless,
I'm not afraid to be alone,

It's over why?
Because you did something wrong,

I'm heartless now,
Love me when I'm gone,
I've had enough,
And i just want you to go,
Go
Fearless.

[MIDDLE EIGHT:]

To say I knew you,
To say I chose you,
That was a bad day,

What I've been put through,
Has made me see that you won't stay the same

[CHORUS:]

Cos I'm fearless,
I'm not afraid to be alone,
It's over why?
Because you did something wrong, (you did me wrong)

I'm heartless now,
Love me when I'm gone,
I've had enough,
And i just want you to go,
Go

And i just want you to go

[OUTRO]

Go
Go
Go
Go
Fearless
Go
Fearless
