Emerging from my world  
Imagine living in a box  
And I won't come up  
Until I've broken all the locks  
Slurring all my words  
Until something sticks  
But in this smoky universe  
My mind keeps playing tricks

And although, you're the only home I know  
As if by magic, thoughts of you are gone  
And now, I'm keeping my head in the clouds  
And it's not so tragic, if I don't look down  
oo-oo-oo-oo-oo-ooooo [x2]

Submerging from your world  
And back into my bliss  
A day rolled into one  
Is burning on my lips  
Blurring all your words  
Until they don't exist  
And in a parallel universe  
It's me you can't resist

And although, you're the only home I know  
As if by magic, thoughts of you are gone  
And now, I'm keeping my head in the clouds  
And it's not so tragic, if I don't look down  
oo-oo-oo-oo-oo-ooooo [x2]

And although, you're the only home I know  
As if by magic, thoughts of you are gone  
And now, I'm keeping my head in the clouds  
And it's not so tragic, if I don't look down  
oo-oo-oo-oo-oo-ooooo [x2]
