you say its coming,  
but i can't see it at all,  
you know me well,  
but i don't know you at all,  
no i don't know you at all

it's always just on the horizon,  
so my hopes rise and fall,  
you know me well,  
but i don't know you at all,  
no i don't know you at all

early ninties decor,  
it was a day for,  
we wanted to play,  
but we had nothing left to play for,  
colourless colour,  
once in fashion,  
and soon to be seen (x2)

been dreaming of blue skies,  
new horizons and sights for my eyes,  
the discovery of the unknown,  
something to tell the folks back home,  
i want to get away,  
to feel the sun on my skin,  
to feel it really sinking in

early ninties decor,  
it was a day for,  
we wanted to play,  
but we had nothing left to play for,  
colourless colour,  
once in fashion,  
and soon to be seen (x3)

early ninties decor,  
it was a day for,  
we wanted to play,  
but we had nothing left to play for,  
colourless colour,  
once in fashion,

and soon to be rediscovered
