Love, love is like a stubborn youth
that you'd rather just deny
I'm walking on a broken roof
While I'm looking at the sky

It's all false love and affection
you don't want me
you just like the attention
yes it's all false love and affection
you don't like me
you just want the attention

I'm not your toy
This isn't another girl meets boy (2x)

Love, love hides in a smokey light
I can never find the truth
Boy, you're touches leave me mystified
I wish I could believe in you

yes It's all false love and affection
you don't want me
you just like the attention
yes it's all false love and affection
you don't like me
you just want the attention

I'm not your toy
This isn't another girl meets boy (4x)

It's all false love and affection
you don't want me
you just like the attention
yes it's all false love and affection
you don't like me
you just want the attention

I'm not your toy
This isn't another girl meets boy (4x)
