He says he loves ya  
He says he cares  
But it's a danger  
Dangerous affair  
The drama keeps you there-er-er

Don't wanna hear it  
Truth or lie  
That he's a devil  
Devil in disguise  
Why-y-y do we choose to let is ride

But right here right now  
Ask yourself is it worth it, worth while  
You're lost in a fairy tale  
I know the story very well, very well

I understand  
I threw my heart in the fire  
I was stuck in denial  
Yeah I know-wo-wo

I understand  
There's no need to surrender  
'Cause soon you'll see that you're better  
Here's my hand  
I understand

You're always falling for that type  
He comes a knockin' late at night  
You'll figh-igh-ight  
But still you let him come insi-i-ide

Wont leave his evil at the door  
He'll break your spirit  
He'll take your soul  
Why-y-y are we suckers for the high-igh-igh

But right here right now  
Ask yourself is it worth it, worth while  
You're lost in a fairy tale  
I know the story very well, very well

I understand  
I threw my heart in the fire  
I was stuck in denial  
Yeah I know-wo-wo

I understand  
There's no need to surrender  
'Cause soon you'll see that you're better  
Here's my hand  
I understand

Oh here's my hand  
Oh here's my hand  
Thought I was inlove just like you  
And no one can tell me what to do

Oh here's my hand  
Take my hand  
ooOOoh-ooOOH  
(Oh I understand)

I understand  
I threw my heart in the fire  
I was stuck in denial  
Yeah I know-wo-wo

I understand  
There's no need to surrender  
'Cause soon you'll see that you're better  
Here's my hand  
I understand
