Now im that chick,  
Now im that chick,  
Now im that chick and you're just a clown.

Hi, my name is,  
You won't remember, wait till December.  
Cos you thought that I was pure as snow,  
Guess you didn't know.  
Hold tight, surprise, open your eyes its springtime.  
Flowers blossoming, I am one of them, bet you like how  
I've grown.

Cos now im that chick,  
You'll never get to uh.  
Can't get what you want, so you're acting like a punk.  
You were too fly then, so fly away now.  
Now m that chick, and you're just a clown.

Now im that chick,  
Now im that chick,  
Now im that chick and you're just a clown.  
Now im that chick,  
Now im that chick,  
Now im that chick,  
Yeah look at me now.

Why, should I even remember, back when you blanked  
me,  
to put it frankly.  
But now Im back, im not attracted, and you're not  
getting  
none.  
Cos im, not for the taking, im not a bender, return to  
sender.  
I laugh at you even asking to, to get with me tonight.

Cos now im that chick,  
You'll never get to uh,  
Can't get what you want, so you're acting like a punk.  
You were too fly then, so fly away now.  
Now im that chick, and you're just a clown.

Now im that chick,  
Now im that chick,  
Now im that chick and you're just a clown.  
Now im that chick,  
Now im that chick,  
Now im that chick,  
Yeah look at me now.

You passed me by, never looked twice.  
Now im the chick, you wanna be with.  
Isn't it so funny now, im the one to shut you down.  
Don't worry girls, if he didn't notice you,  
Yeah, Soon he'll be begging to.

Cos now im that chick,  
You'll never get to uh,  
Can't get what you want, so you're acting like a punk.  
You were too fly then, so fly away now.  
Now im that chick and you're just a clown.

Now im that chick,  
Now im that chick,  
Now im that chick and you're just a clown.  
Now im that chick,  
Now im that chick,  
Now im that chick  
Yeah look at me now.

Chick, now im that chick  
Now im that chick and you're just a clown.

Now im that chick  
Now im that chick  
Now im that chick and you're just a clown.
