Ask me pretty please but you aint gotta trick or treat.
No matter what you say you'll never get a piece of me.
I keep it real I don't play that's how it is,
No other way.
You know my name
Its my game.
Get it right.
Don't ask twice.
Im the ish.
I know this
Did I stutter?
No I didn't.
Buy my drink, hold my bag
Never try to touch *oww!*These guys try to sweep me up.
Im on another level.
Keep it coming, keep on running
And im out of your league yeah, yeah
All on your knees, yeah I like what I see
But I ain't easy.
Ask me pretty please but you ain't gotta trick or treat.
No matter what you say you'll never get a piece of me.
Won't you come with this boy showing off his little toy.
Ninja bike, platinum chain, all this money, make it rain.
Swagger this, top that, He can say it to my back.
Turn around, Step it down, saying who's the b***h
now?
These guys try to sweep me up, im on another level.
Keep it cumin.' Keep it runnin.'
And im out of your league yeah, yeah
All on your knees, yeah I like what I see
But I ain't easy.
Ask me pretty please but you ain't gotta trick or treat.
No matter what you say, you'll never get a piece of me.
Turn around, round, yea. I turned you down, down,
yeah.
Saying no, no, yeah. I'm saying no, no , boy.
Turn around, round, yea. I turned you down, down,
yeah.
Trick or treat tonight yeah. I'ma laugh tonight saying:

Ask me pretty please but you ain't gotta trick or treat.
No matter what you'll say you'll never get a piece of
me.
