AUTHOR: Lluís Llach

- Submitted by Albert Cla

(translation is not accurate, but... you get the meaning
;))

- Thanks to Joan Bofill for giving the lyrics.

- If you read or like this, or want to comment
something, please write me,

i wanna hear from you!

Cal que neixin flors a cada instant Flowers must be
born every moment

fe no 's esperar, faith is not to wait,

fe no 's somiar faith is not to dream

fe 's penosa lluita faith is painful fight

per l'avui i pel dem... for today and tomorrow

fe 's un cop de falç faith is a blow of sickle

fe 's donar la m... faith is to give the hand

La fe no 's viure d'un record passat

faith is not to live for a memory of the past

No esperem el blat don't wait the wheat

sense haver sembrat, having not seed,

no esperem que l'arbre don't wait for the tree

doni fruit sense podar-lo; give fruit without pruning it;

l'hem de treballar we have to work it out

l'hem d'anar a regar, we have to go and sprinkle it,

encara que l'ossada ens faci mal even when our bones hurt

No somniem passats Don't dream pasts

que el vent s'ha emportat gone with the wind

Una flor d'avui es marceix just a l'endem...

A today's flower withers just tomorrow

Cal que neixin flors a cada instant Flowers must be born every moment

Cal que neixin flors a cada instant Flowers must be born every moment

fe no 's esperar, faith is not to wait,

fe no 's somiar faith is not to dream

fe 's penosa lluita faith is painful fight

per l'avui i pel dem... for today and tomorrow

fe 's un cop de falç faith is a blow of sickle

fe 's donar la m... faith is to give the hand

La fe no 's viure d'un record passat

faith is not to live for a memory of the past

Enterrem la nit, let's bury the night,

enterrem la por, let's bury the fear,

aparten els núvols let's stray the clouds

que ens amaguen la claror that hide us the light

Hem de veure-hi clar we have to watch clear

el camí 's llarg the way is long

i ja no tenim temps d'equivocar-nos
