Laura Laura

I avui que et puc fer una cançó And today that i can do a song for you
recordo quan vas arribar I remember when you came amb el misteri dels senzills, with mystery of the simples els ulls inquietes, el cos altiu, uneasy eyes, proud body, i amb la rialla dels teus dits and with the laugh of your fingers
vares omplir els meus records you filled my memories amb cada nota del teu nom, Laura. with every note of your name, Laura.

M'és tan difícil recordar It's so hard for me to remember
quants escenaris han sentit how many stages felt la nostra angoixa per l'avui our affliction for today la nostra joia pel dem..... our joy for tomorrow...
a casa, enmig de tants companys, at home, between so much friends,
o a un trist exili mar enllà, or in a sad exile sea away, mai no ha mancat el teu alè, Laura. we've always had your breath, Laura.

I si l'atzar et porta lluny, And if hazard takes your far que les deus et guardin el camí, may the sources keep your way,
que t'acompanyin els ocells, may the birds walk with you,
que t'acaronin els estels, may the stars caress you, i en un racó d'aquesta veu, and in a room of this

voice,
mentre la pugui fer sentir, while I could make it heard,
hi haur... amagat sempre el teu so, Laura.
your sound will always be hidden, Laura.
