Que tinguem sort May we have luck

-----  
Si em dius adeu If you say goodbye  
vull que el dia sigui net i clar i want the day to be clean  
and clear,  
que cap ocell trenqui may any bird brokes  
l'harmonia del seu cant the harmony of it's singing  
que tinguis sort, may you have luck,  
i que trobis el que t'ha mancat en mi and find what you  
have missed in me  
Si em dius et vull If you say i want you  
que el sol faci el dia molt m[un]s llarg may the sun make  
the day much longer  
i aix[un]i robar temps and so stealing time  
al temps d'un rellotge aturat at time of a stopped clock  
que tinguem sort may we have luck,  
i que trobem tot el que ens va mancar ahir  
and may we find all we were lack of yesterday  
I aix[un]i pren And so, take  
I aix[un]i pren And so, take  
tot el fruit que et pugui donar all the fruit that it could  
give you  
el cam[un]i que poc a poc escrus, (the road that you  
slowly write)  
per dem[un], que dem[un], que dem[un] for tomorrow, as  
tomorrow, as tomorrow  
manca[un] el fruit de cada pas we'll be lack of the fruit  
of each step  
per aix[un] malgrat la boira cal caminar so, even the fog,  
we must walk  
Si vens amb mi If you come with me  
no demanis un cam[un]i planer don't ask for a plain road  
ni estels d'argent nor silver stars  
ni un dem[un] ple de promeses, nor a tomorrow full of  
promises

sols un poc de sort(\*) just a bit of luck  
i que la vida ens doni un camí més llarg  
and may life give us a longer road  
I així pren And so, take  
I així pren And so, take  
tot el fruit que et pugui donar all the fruit that it could  
give you  
el camí que poc a poc escrius, (the road that you  
slowly write)  
per demà, que demà, que demà for tomorrow, as  
tomorrow, as tomorrow  
mancar el fruit de cada pas we'll be lack of the fruit  
of each step  
per així malgrat la boira cal caminar and so, even the  
fog, we must walk

NOTES:

- 'sols un poc de sort'='just a bit of luck'. 'Sols' and 'un poc' are not spreadly used, you'd rather say "només" and "una mica".
