Venim del nord, venim del sud We come from north,

Venim del nord, We come from north,
venim del sud, we come from south
de terra endins, from inner land
de mar enll... from sea away
i no creiem en les fronteres and we don't believe in
frontiers
si darrera hi ha un company if there's a fellow behind
amb les seves mans esteses with his hands opened
a un pervindre alliberat. to a liberated time to come.
I caminem per poder ser And we walk to be able to be
i volem ser per caminar. and we wanna be for walking.

Venim del nord, We come from north,
venim del sud, we come from south
de terra endins, from inner land
de mar enll... from sea away
i no ens mena cap bandera and no flag drives us
que no es digui llibertat, if it's not the freedom one,
la llibertat dels meus companys. freedom of my
fellows.
I volem ser per caminar And we wanna be for walking
i caminar per poder ser. and walk to be able to be.

Venim del nord, We come from north,
venim del sud, we come from south
de terra endins, from inner land
de mar enll... from sea away
i no sabem himnes triomfants and we don't know
winning hymns

ni marcar el pas del vencedor nor mark time of the victor
que si la lluita Â,s sagnant that if the fight is bloody
ser... amb vergonya de la sang. it will be for shame of blood.
I caminem per poder ser And we walk to be able to be
i volem ser per caminar. and we wanna be for walking.
