Men coming at me  
Knocking at your front door  
Would you like to know more  
Would you like to be free  
Like a good neighbor  
He will be there  
As long as he gets it  
Insurance from God  
An equal share  
You're in good hands  
A piece of the rock  
He understands  
So they won't have to wait for  
They're only slaves  
Christians aren't perfect  
Black ties, white shirts  
Insurance from God  
Kick them with black boots  
Little red ten speeds

Insurance from God  
He understands  
So they won't have to wait for  
You're in good hands  
A piece of the rock  
They're only slaves  
Christians aren't perfect  
Crucify them  
So they won't have to wait for  
Cash in your policy  
Insurance from God  
Wouldn't ya like to be free  
I'm the collector of your soul  
Wouldn't you like to follow me  
Wouldn't you like to be free  
Wouldn't you like to know more
