With absence of your lessons
The passion of your crimes
Fully unaware

Wet from the sweat of your nights endeavors
Does it make any sense to come here tonight
Oh, they're trying to confuse you
'Cause nothing works quite right

Surrounded by a secret
Growing old with your lies
You can't compete with it
Where the phantoms reside
Can't run away from it
Those phantoms are your lies

Haunted by voices from deep in your minds
Locked in memories too painful to recall
I want to know the truth

Surrounded by a secret
Growing old with your lies
You can't compete with it
Where the phantoms reside
Can't run away from it
Those phantoms are your lies

With absence of your lessons
The passion of your crimes
Fully unaware

Wet from the sweat of your nights endeavors
Does it make any sense to come here tonight
Oh, they're trying to confuse you
'Cause nothing works quite right

Surrounded by a secret
Growing old with your lies
You can't compete with it
Where the phantoms reside
Can't run away from it
Those phantoms are your lies

Can't run away from it
Those phantoms are your lies
You can't compete with it
Where the phantoms reside
Can't run away from it
Those phantoms are your lies
