Terrorist kills a man
They cut out his throat
Violent world
Saw it on the TV screen

Car crash is suicide
Was hoping for a genocide
Terrorism, homicide

Saw him on the TV screen
He was just a bloody
It's a violent world
Saw it on the TV screen

Car crash is suicide
Was hoping for a genocide
Terrorism, homicide

Car crash is suicide
Was hoping for a genocide
Terrorism, homicide

Saw him on the TV screen
Let his throat open wide
Violent world
Saw it on the TV screen

Car crash is suicide
Was hoping for a genocide
Terrorism, homicide

Car crash is suicide
Was hoping for a genocide
Terrorism, homicide
