Open my eyes  
And I see for the first time  
You're not the one for me  
I changed my mind

You have to let go  
When it's not right  
Oh oh, oh oh  
I'm looking at you  
In a new light

Ooh it's a seven month itch  
Happens every time  
Ooh I want someone to love  
Want a partner in crime  
And again and again  
I throw it away  
And I hope and I hope  
And I pray  
Ooh it's a seven month itch  
Happens every time

I need fun, I need love  
I need danger  
But I'm not looking  
For a new stranger

I'll do it my way  
No introspection  
Oh oh, oh oh  
Less hesitation  
More direction

Ooh it's a seven month itch  
Happens every time  
Ooh I want someone to love  
Want a partner in crime  
And again and again  
I throw it away  
And I hope and I hope  
And I pray

Ooh it's a seven month itch  
Happens every time

I'm always letting go  
It's slipping through my hold  
Don't leave me on my own  
Just facing it all

Ooh it's a seven month itch  
Happens every time  
Ooh I want someone to love  
Want a partner in crime  
And again and again  
I throw it away  
And I hope and I hope  
And I pray  
Ooh it's a seven month itch  
Happens every time
