Try me  
Break me and see right through  
Iâ€™m fragile and brutally true  
You hold me and let me go

Leave me  
And see how I stand alone  
Iâ€™m taking the path unknown  
Iâ€™m losing control

Itâ€™s not the same  
No one's to blame

CHORUS  
Iâ€™m waiting, shaking, faking, breaking, praying,  
hating  
Every time I close my eyes  
Iâ€™m staring, glaring, tearing, wasting, aching, taking

Cuz my mind wonâ€™t let me cry  
Iâ€™m waiting

I see you  
In places youâ€™ve never been  
I try but I just can't win  
You still follow me everywhere

Forgiveness  
My weakness and only hope  
This emptiness found it's home  
I'll go on, I'll live

But I'm alone  
I'm all alone

CHORUS
