A wonderful world
A beautiful girl
And nothing
Can touch or bring her down

Life is her drug
And everyone loves her
But what if
Life could see her now?

I hardly recognise myself
Was that me or someone else?

'Cuz you can't go
You can't go
You can't go back
To faded photographs
You can't go
You can't go
You can't go back
Some things are meant to last
But time was all you had
You can't escape your past
And you can't go back

Was I naïve?
Was it that easy?
Was it
Once upon a time?

So many memories
Like fairytale stories
Why can't
I leave it all behind?

I tried to visit yesterday
Silly of me to think you'd wait

'Cuz you can't go
You can't go
You can't go back

To faded photographs
You can't go
You can't go
You can't go back
Some things are meant to last
But time was all you had
You can't escape your past
And you can't go back

You can't go back
You can't go back

'Cuz you can't go
You can't go
You can't go back
To faded photographs
You can't go
You can't go
You can't go back
Some things are meant to last
But time was all you had
You can't escape your past
And you can't go back

'Cuz you can't go
You can't go
You can't go back
To faded photographs
You can't go
You can't go
You can't go back
Some things are meant to last
But time was all you had
You can't escape your past
And you can't go back
