Forgotten never forgotten,  
It's an early autumn this year.  
This year

Forgiven all is forgiven,  
I'll remember we were here.  
Yeah, we were here.

There was a time when time was all  
We had and all we'd ever need.

CHORUS

It's a cold day for August.  
Still, the sun burns my eyes.  
As the ashes of summer drift on by.  
It's a cold day for August.  
And there's no turning back  
When the fall finally comes  
It comes too fast,  
It comes too fast,  
It comes too...  
Frozen, I'm frozen.  
Feels like the end of an age.  
End of an age.

Unfinished... Still unfinished.  
And unwilling to turn the page.  
I feel betrayed.

There was a time when time was all  
We had and all we'd ever need

CHORUS

It comes too fast

There was a time when time was all  
We had and all we'd ever need  
You left a void, a space to fill  
It haunts me now... it always will.

CHORUS

It comes too fast (x2)

Forgotten never forgotten  
It's an early autumn this year  
This year
