I'm scared of being no one
For the rest of my life
I'm scared of saying nothing with something
If I let you inside

I'm scared of the future
Because I have no control
So I don't ask the questions
'Cuz I don't want the answers
Yeah some things I don't need to know

'Cuz I feel like
A full house of cards
Imperfect, inconsistent
With holes in the basement
I feel like
A full house of cards
With the world on my shoulder
With one word you blow my house down
Blow my house down

I'm standing in the corner
Frozen in time
I've forgotten how I got here it's been so long
My life's passing by

If I don't wake up
Before it's too late
I hope you'll forgive me
I hope you're still with me
'Cuz someday this dam's going to break

'Cuz I feel like
A full house of cards
Imperfect, inconsistent
With holes in the basement
I feel like
A full house of cards
With the world on my shoulder
With one word you blow my house down

Down, down
I'm falling down
Down, down

I feel like
A full house of cards
Imperfect, inconsistent
With holes in the basement
I feel like
A full house of cards
With the world on my shoulder
With one word you blow my house down

Down, down
I'm falling down
Down, down

With one word you blow my house down
