"Broken Soldier"

Sunny skies
Driving slow
To kick the leaves from the road

Sunday
I come home
Keep my head down and out of here

Out of the sky
Onto the broken bridge
The broken soldier dies

Should have had another chance
Should have had another chance to go home

Follow waters
Nobody's fault
I guess that one was for me

Tell my old man
Not to cry
It's just a part of the job

Out of the sky
Onto the broken bridge
The broken soldier dies

Should have had another chance
Should have had another chance

Out of the sky
Onto the broken bridge
The broken soldier dies

Should have had another chance
Should have had another chance

I'm screaming out loud
The top of my voice
Can you hear me?

I'm sat here in pieces
I wanna go home
Can you hear me?
Don't forget me
