Lil Wayne:

i got ice in my veins
blood in my eyes
hate in my heart
love in my mind
i seen nights full of pain
days of the same
you keep the sunshine
save me the rain
i search but never find
hurt but never cry
i work and forever try
but im cursed so never mine
and its worse but better times
seems further and beyond
the top gets higher the more that i climb
the spot gets smaller and i get bigger
tryna get me where i fit in
no room for a nigga but soon for a
nigga it be on motherfucker cause
all this bullshit have made me strong,
motherfucker

Course:

So i pick the world up and ima
drop it on your fuckin head
yeah, bitch ima pick the world up
and ima drop it on your fuckin head
yeah, and i can die now rebirth
motherfucker
hop up in my spaceship and leave
earth mother fucker
i'm gone
motherfucker
i'm gone

Lil Wayne:

i know what they dont wanna tell you
just hope your heaven sent and ya
hell proof
ill woke up in the world and cut the
lights off

and confidence i a stain they cant
wipe off
uh, my word is my pride
but wisdom is bleak and
thats a word from the wise
served to survive
murder and bribe
and when it got too heavy
i put my burden aside..

Course:

So i pick the world up and ima
drop it on your fuckin head
yeah, bitch ima pick the world up
and ima drop it on your fuckin head
yeah, and i can die now rebirth
motherfucker
hop up in my spaceship and leave
earth mother fucker
i'm gone
motherfucker
i'm gone

Eminem:

it hurts but never show
its pain youll never know
if only you can see just how
lonely and how cold
and frostbit i've become
my back's against the wall
when push come to shove
i just stand up and scream fuck em all
man it feels like these walls are closing in
this roof is caving in
opp its time to raise it then
your days are numbered like pages
in my book of rhymes got em cookem boy
this crooked mind of mine got em all
shook and scared to look in my eyes
i stole that fuckin clock i took the
time and i came up from behind
and pretty much snuck up and butt fucked
this game up,
better be careful when you bring my
name up fuck this fame
that aint what i came to claim
but the game aint gonna be the same
on the day that i leave it
i swear one way or another im
gonna make thses fuckin haters believe it
i swear to god

most swear rod
im a man of my word
so your fuckin heads better nod
im gonna fuck around in this bitch
and roast everybody
sleep on my that pillar is where yo
head will lie permanetly bitch its betty bye
this world is my easter egg
ya prepared to die
my head is swoll
my confidence is up
this stage is my pedastal
im unstoppable
incredible hulk
your trapped in my medicine ball
i can run circles around
you so fast your fucking head will spin dog
ill split your cabbage and
your lettuce and ill fuckin...

Course:
So i pick the world up and ima
drop it on your fuckin head
yeah, bitch ima pick the world up
and ima drop it on your fuckin head
yeah, and i can die now rebirth
motherfucker
hop up in my spaceship and leave
earth mother fucker
i'm gone
motherfucker
i'm gone
